AVAILABLE NOW

Set 26 (25 x 30')

AVAILABLE AUGUST 1, 2005

Set 27 (25 x 30')

AVAILABLE FALL 2005

While produced in the UK as 45-minute programs, Antiques Roadshow is edited to half hour units for syndication to public television stations. In this form, the series has proved itself a valuable utility piece that delivers appreciable audience figures regardless of the daypart in which it is used. All episodes of all sets are closed-captioned for the hearing impaired.
